

REVISIONS

ZONE	REV	DESCRIPTION	DATE	APPROVED
------	-----	-------------	------	----------

Notes:

1. This piece is used in combination with the HeadMouse Nano (HMN) Snap Tray.
2. It is designed to be 3D-printed using an FDM printer:
* 1.75mm
* PLA
3. Suggest using Acetone to solvent weld this piece to the HMN Snap Tray
4. Use the two #4 plastite fasteners to fixture the parts
5. Refer to CAD file for all dimensions, CAD dimensions control.
